The Advanced Apprenticeship in Hairdressing (6008) is part of the Qualifications Credit Framework (QCF). This means that to complete the qualification, Candidates must achieve a minimum of 68 credits. The credit value of each unit is shown in the right hand column. Under QCF, all mandatory units must be completed and these total 43. A further 25 credits from optional units are also required.

The numbering system is quite simple, CH stands for 'classification hairdressing'. CB stands for 'classification barbering' and CHB stands for 'classification hairdressing and barbering'. AH stands for 'Afro-Caribbean Hairdressing' and GHB 'general hair and barbering'.

In taking up this challenge, Candidates may also achieve any of the above units that they have not been certificated for within their full framework.
