What made you choose hairdressing as a career? Tick each that applies

I had a friend or relative who is/was a hairdresser

Because I feel it offers really good career options

It is just something I have always wanted to do

Because I studied hairdressing at school

Because I had a Saturday job at a salon

Other reason (record below)

Other reason:

What made you apply to this salon? Tick each that applies

Because of the image or reputation of the salon

Salon was recommended by my academy

Because I knew someone at the salon

Because I visited the salon website

The salon is near to where I live

Other reason (record below)

Other reason:

How much do you know about how salons operate?

How much do you know about hairdressing as a career?

What do you feel are the qualities needed to be a successful hairdresser?

What do you feel are your strengths as an individual?

What areas do you feel you need to work on?

What do you see yourself doing in five years from now?

Do you have any questions about hairdressing as a career?
