

Unit 202 Set and Dress Hair (CH2) Activity 13

Style challenge

Within *Unit GH11: Set and dress hair*, you are required to complete the following specific dressing effects and techniques:

- curls
- knots
- smoothing
- backbrushing
- backcombing.

Your challenge, should you choose to accept it, is to design a hair-up style that incorporates three or more of these effects and techniques. The work can be completed on either a 'live' model or a block. You must complete the work within a set time constraint (to be confirmed by your tutor).

Create a mood board to show how you have researched and developed your ideas.
