

Unit 202 Set and Dress Hair (CH2) Activity 8

Products for setting and dressing hair

There is a wide variety of styling and finishing products available to use when setting and dressing hair. Carry out research into the products available in your training establishment (remember to include coloured setting lotions and mousses). Complete the chart below with your findings.

Name of product	Features of the product	Benefits of the product	Advice/special instructions to give client
<i>Mousse</i>	<i>Easy to dispense. Comes in a foam that is easy to apply.</i>	<i>Will give body and volume. Puts a protective coating on the hair against atmospheric moisture.</i>	<i>Follow manufacturer's instructions for application. Good for fine, flat hair.</i>
