

Unit 204 (CH4) Colour and Lighten Hair Activity 13

Reasons for a colouring service

Colouring hair will allow you to use your artistic flair and represent the looks you are creating in an innovative way.

To be able to recommend colouring services to clients, you need to consider all the reasons why a client might have a colouring service.

In pairs or groups, produce a mind map listing all of the reasons why you think a client would have a colouring service. You can use the template provided below.
