

Unit 204 (CH4) Colour and Lighten Hair Activity 3

Factors to consider for a colouring service

It is important to record the consultation carried out with your client prior to the colouring service.

- 1 In pairs or small groups, list the different factors that should be considered for a colouring service. You can use the mind map below to record your findings.

2 Now put your list of factors in order of importance using the chart below.

Order of importance	Factors to be considered for a colouring service
1	
2	
3	
4	
5	
6	
7	
8	
9	
10	

3 Compare your order of importance with others in your group. Are there one or more factors that are consistently in the top three?
