

Unit 205 (CHB9) Advise and Consult with Clients Activity 9

Strand test complete the gaps

Complete the gaps in the passage below. The missing words are:

colour	correctly	cotton	damp
development	strand	wool	

The strand test is undertaken to check of colouring while the colouring process is being carried out. Remove some of the colour from a of hair with a piece of to check whether the has developed and that you are happy with the result.
