

Unit 207 (CHB12) Develop & Maintain Your Effectiveness at Work Activity 2

Team rules

Every salon will have its own working philosophy. Generally this will be to anticipate and fulfil clients' needs within a happy salon environment, thereby promoting a thriving business.

- 1 Pretend you are in charge of setting your salon's rules. Write down the 10 rules you think are important to create a safe and happy working environment for clients and colleagues. Your rules must take into account health and safety considerations.
