

Unit 210 (CH6) Plait and Twist Hair Activity 6

Plaiting and twisting product knowledge

- 1 Carry out research into the different products used in the salon when plaiting and twisting hair. Complete the chart below with your findings. For each product you will need to:
- indicate whether it is a spray, serum or gel
 - state when it should be used
 - give the manufacturer's instructions for use
 - describe the benefits of the product.

Product	When is it used? (On wet or dry hair; before, during or after the service)	Manufacturer's instructions for use	Benefits of using product
<i>Sprays:</i>			

Product	When is it used? (On wet or dry hair; before, during or after the service)	Manufacturer's instructions for use	Benefits of using product
<i>Serums:</i>			
<i>Gels:</i>			

2 Why is it important to use products economically?
